

Serendipity Villa

Serendipity is a 7000 square foot villa on 320 feet of private beachfront on Palm Island. A property filled with well-maintained gardens, lily ponds, flowers and numerous large trees giving exclusivity and privacy. The villa has three air conditioned bedrooms, private pool, panoramic ocean view living room, bar, dining room, and fully equipped kitchen. The covered pergola looks out over the ocean. Ideal place for a private retreat.

Palm Island in the Grenadines is a small island one mile from Union Island, only accessible by boat. The boat ride is approximately 10 minutes.

This pristine tropical remote island has an area of 135 acres (0.55km²). It takes approximately 45 minutes to walk around the island.

It has a small resort and a few privately-owned villas. Serendipity is one of the few with a superb beach access literally right on the doorstep.

The beach and bay in front of Serendipity are perfect for kiteboarders. Kiteboarding is the most popular water sport in the southern Grenadines. Palm Island is perfectly located for aficionados, who can launch right off the beach. There are also two world renowned kiteboarding schools on Union Island, 10 minutes away.

Despite the modest size of the island, it has some interesting walking trails, hilly lookout points, a diverse range of birds and wildlife (Iguanas & Hermit Crabs).

As a great hideaway, the island does not have any stores. All stores are located at Union Island. The housekeeper can assist with boat transfers, activities, and bring food and supplies as requested.

Upon request and availability, and for a fee, you can also access the local resort facilities - Beach Bar & Restaurant, the Spa Salon and Boutique, gym, tennis courts, etc. This should be arranged directly with the resort's office.

If you wish a basket of food supplies already stowed in the kitchen before your arrival, contact us and our staff would be pleased to shop for you.

All linens – for bed and bath are included.
